DESERT FOOTHILLS JEWISH COMMUNITY ASSOCIATION has been providing fellowship and spiritual support since 1998. Our purpose is to offer the Jewish community an unaffiliated organization for themselves and their friends. We meet monthly, at the Terravita Country Club. We will meet at the Desert Pavilions Building on the 3rd Friday of each month at 7:00 pm. We present a short original worship service, conducted by our Ritual Committee, followed by a Program and Oneg Shabbat. We are not, and consciously elect not to be a formal Temple or Synagogue.

DFJCA is run by a Board of Directors. We have no staff, only volunteers. We have several committees and welcome all who are interested in participating.

Throughout the year, DFJCA contributes to worthwhile Jewish and non-sectarian charitable causes, locally, nationally and internationally as funds are available.
